Who is Ola Western?

Approved biography and verified profile

Hon. Engr. Folorunsho Olaitan Segun, widely known as "Ola Western", is a Nigerian corporate executive, certified engineer, community leader and APC politician based in Amuwo-Odofin, Lagos State. He is the Chief Executive Officer of Western Concrete, an industrial civil-works and concrete manufacturing firm headquartered in FESTAC Town.

His public footprint is built on corporate social responsibility: boreholes across six wards, drainage desilting along 7th Avenue, palliative outreach and a Food Fest that fed more than 1,000 households. In May 2026 he won the APC House of Assembly primary for Amuwo-Odofin Constituency I with over 3,000 votes and became the party flagbearer for the 2027 general elections.

- May 2026 APC primary: 3,000+ votes and the party flagbearer mandate.

PRESS ASSETS

High-resolution portraits, logos and shareable graphics:

https://www.olawestern.ng/media-kit

Four commitments, written to be checked

The agenda for Amuwo-Odofin Constituency I

01 Youth empowerment and tech hubs

Digital-skill and creative-economy centres, sports facilities and a yearly youth opportunity register - one hub per ward.

02 Roads, drainage and 23 Road

An FHA-state-LGA maintenance framework, full rehabilitation of 23 Road, canal desilting and avenue street-lighting.

03 Market women and trader protection

Fair regulatory guidelines for LAWMA and municipal task forces, plus a written levy schedule traders can hold agencies to.

04 Public safety and open representation

Quarterly town halls in Festac I-III and Mile 2, published legislative activity and a named ward desk for every request.
